

If you know how to use Photoshop.

If you know how to prepare infographics.

If your ideas follow non-standard paths.

If your mind is quick and your work is delivered on time.

If you communicate in English.

If you know what sport is.

If you are based in Warsaw.

We need you in our international team in a well-know startup!

You will get experience and we will get everyday graphic design done.

Please send your portfolio to [jobs@betegy.com](mailto:jobs@betegy.com) with "dot 2014" in the message subject.
