

PLANET EXPAT IS HIRING A QUALITY ASSURANCE ASSOCIATE FOR INTERNSHIP FROM 3 TO 6 MONTHS.

Date : 30/11/2016

Job reference : 160902-15453616

Type of contract : Internship

Localisation : Madrid 000, ES

Contract duration : From 3 to 6 months

Level of studies : Bachelor's Degree

Years of experience : 6 months - 1 year

Company description :

Planet Expat provides career-boosting paid internships in some of the most innovative and dynamic Start-ups in Latin America, Europe and the USA. We connect students with promising start-ups abroad through a program that allows them to gain valuable professional experience in international environments while being key contributors to innovative projects.

We are now hiring for the company below:

"We are a tech-startup dedicated to providing meaningful data about the hospitality industry. We gather big data from major short term rental market platforms such as Airbnb and online travel agents to generate analytics for our customers: occupancy rates, price monitoring, etc.

Our clients include large companies from the hospitality, real estate and financial sectors.

We are an international team of 12 people, mainly based in Spain and California."

Job description :

As their first Quality Assurance manager, you will:

Continuously monitor and audit the quality of their data

Perform regression, functional, manual, stress, and automated testing

Create test cases and test plans

Automate testing

Not only work to find defects, but also to find the cause of the defect and ideally, find a hint towards the solution

Cooperate and cross collaborate with product management, development team and the founding team

Profile:

Advanced Excel skills

Outstanding written and oral communications skills in English

Good organization skills

Logical approach to problem solving

Good time management and task prioritization skills

Proactive and able to work with a minimum of supervision

Bonus: You can write basic code (Javascript,Python, VBA, etc) you are familiar with Agile and Scrum environments
