

EUROCONTROL IS HIRING A INFORMATION TECHNOLOGY FOR STAGE FROM 6 TO 12 MONTHS.

Date : 13/10/2015

Job reference : TR-2015-10-11609446

Type of contract : Stage

Localisation : Brussels 1130, BE

Contract duration : From 6 to 12 months

Level of studies : Bachelor's Degree

Years of experience :

Company description :

EUROCONTROL, the European Organisation for the Safety of Air Navigation, is an intergovernmental Organisation with 41 Member States, committed to building, together with its partners, a Single European Sky that will deliver the air traffic management performance required for the 21st century and beyond. We help our Member States to run safe, efficient and environmentally-friendly air traffic operations.

Job description :

The traineeship will be undertaken in the Directorate Network Manager - Network Technical Systems - IT Sourcing Section

The trainee will be part of the IT sourcing team, contributing to a wide range of IT services. This is an ideal opportunity for someone interested in developing or furthering their knowledge of IT practices in a multicultural and multilingual environment. S/he will be tasked to write technical contents for call for tenders to procure services and goods.

Required profile :

- * Already holding or about to obtain a university degree in Information Technology (IT)
- * Very good English writing skills
- * Comfortable working with technical experts and in a multi-cultural environment
- * Dynamic and flexible attitude. High motivation to learn and develop
- * An interest in aviation and in particular in the navigation domain would be beneficial
