Company description :

EUROCONTROL, the European Organisation for the Safety of Air Navigation, is an intergovernmental Organisation with 41 Member States, committed to building, together with its partners, a Single European Sky that will deliver the air traffic management performance required for the 21st century and beyond. We help our Member States to run safe, efficient and environmentally-friendly air traffic operations.

Job description :

The Maastricht Upper Area Control Centre (UAC) is part of the EUROCONTROL Agency and provides air traffic services for the 4-States (Germany, Belgium, Luxembourg and Netherlands)

The Agency is looking for an enthusiastic trainee who would like to participate in all aspects of the Ab Initio recruitment process. The trainee will be involved in the day-to-day operational work, the promotion of the ATCO profession, improvement projects and data analytics.

Required profile :

- * Degree in Economics, Psychology, Statistics, Mathematics, Business, Computer Science or equivalent;
- * Interest in Human Resources and recruitment
- * Some knowledge and understanding of mathematical and statistical concepts ;
- * The working languages of the Agency are English and French. For this particular post, candidates must have an excellent command of English.
